# TO THE TRADE:

---

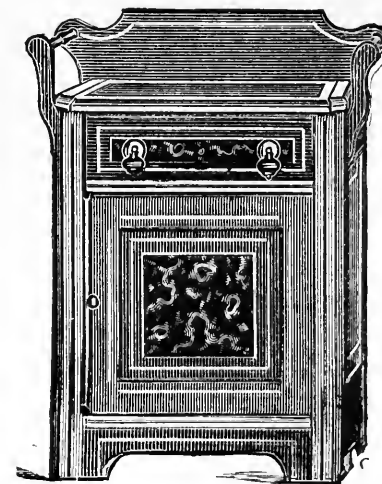

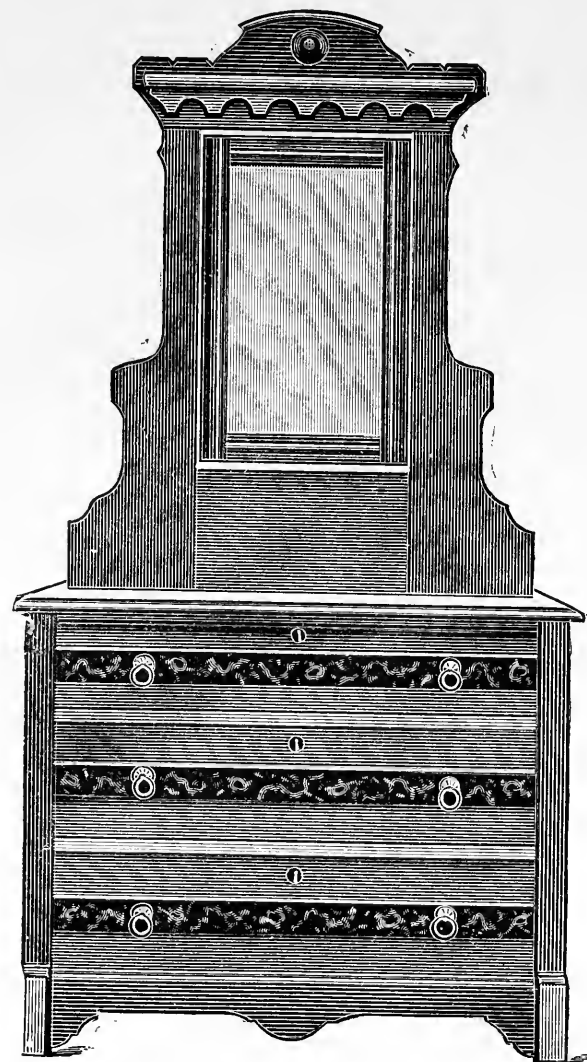

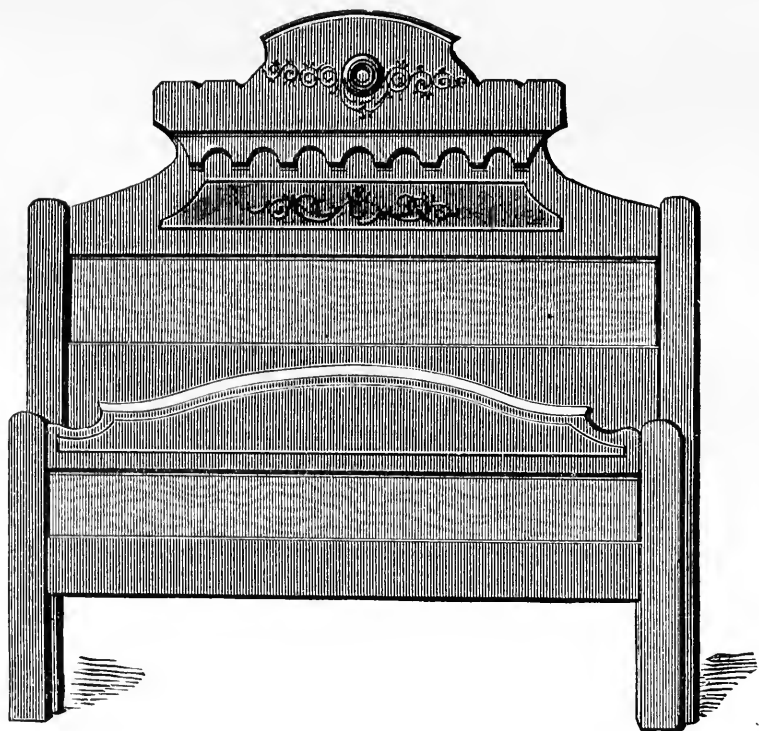

We take pleasure in presenting to you our Illustrated Catalogue and Price List for 1885. Please examine it carefully, as we feel confident that the styles shown in it, combined with the low prices for our goods, offer inducements worthy of a trial.

The finish on our goods will be found better than ever; as we employ none but experienced workmen. We have added several new styles to which we call your special attention.

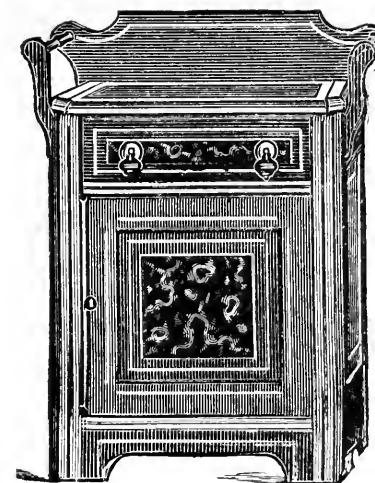

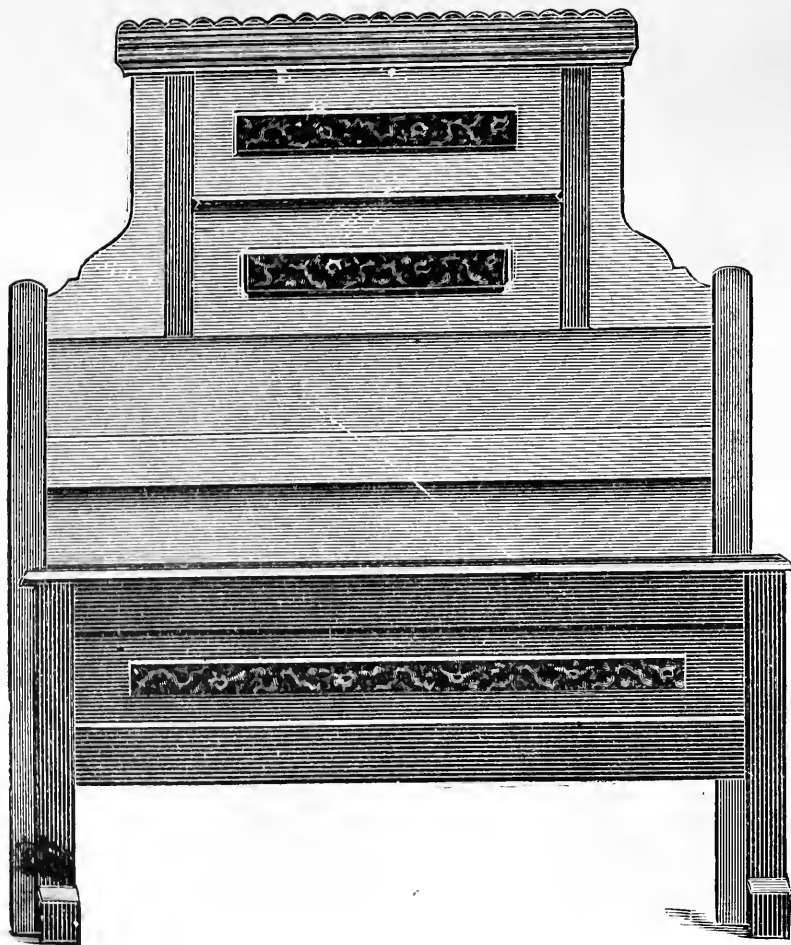

Quoing to our increased trade, we have added building No. 366 W. Pratt Street, as a storage house, which will enable us to fill our orders more prompt in the future.

If you favor us with a trial order, we will endeavor to give you entire satisfaction. Thanking our Customers for past favors, we solicit a continuance of same.

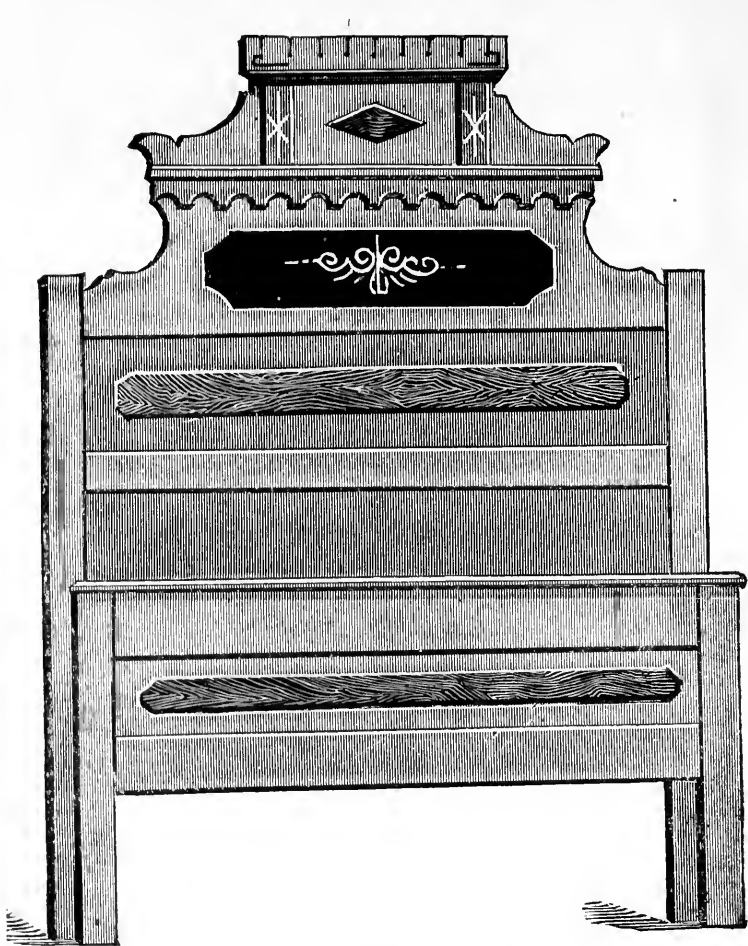

Very Respectfully, J. A. FRITTER & CO.
